Dear Valued Customer,

CONGRATULATIONS ON THE PURCHASE OF YOUR NEW SUNLOVER HEATING SYSTEM!

Sunlover Heating has attended your property to install your new Solar Pool Heating System.

Please find enclosed your relevant warranties and operating instructions. You can also visit our website www.sunloverheating.com.au for product information and to view your warranty and warranty information.

To ensure you have many years use of your Sunlover Pool Heating System, we recommend that you have it serviced regularly, to check for any maintenance requirements that may spring up over the Winter season and have them rectified well before the swimming season begins.

In order to avoid potential delays of up to 10 business days during the rush of Service and Maintenance bookings we receive during the swimming season, we recommend registering for our Annual Maintenance program, scheduled yearly between May and August. If you would like to register for our Annual Maintenance Program please email service@sunloverheating.com.au with the following details:

- Full Name
- Mobile Number *(we contact customers via text to schedule appointments)*
- Property Address
- Date of solar installation

Should you have any queries regarding the operation of your Sunlover Solar Pool Heating System, please do not hesitate to contact our your local Sunlover Heating Office during business hours for assistance.

Thank you for your business and we know you will be very happy with your decision to purchase your Sunlover Heating product.

Yours Sincerely,

Sunlover Heating
