

# GAS HEATERS

HIGH PERFORMANCE  
ENERGY EFFICIENT

THE MASTERTEMP GAS HEATERS HEAT YOUR POOL TO YOUR DESIRED TEMPERATURE IN A FEW HOURS. MAKING IT IDEAL FOR SOCIAL DROP INS, SCHOOL HOLIDAYS AND WEEKENDS.

## ✓ SUPER QUIET

MasterTemp heaters are engineered for super-quiet operation and won't intrude on your poolside leisure time.

## ✓ QUICK & EFFICIENT

Compare energy efficiency ratings and you'll find MasterTemp heaters at the top of the list. Comfort and economy can go together.

## ✓ EASY CONTROL

The easy-to-view, rotating digital display places controls front and center, no matter how the MasterTemp heater is positioned on your equipment pad.

## ✓ TOUGH EXTERIOR

A tough, rustproof composite exterior handles the heat and weathers the elements.

- Very compact design for such a high performance heater, allows for smaller overall equipment pads that won't intrude on your poolscape.
- A fully pre-mixed system with a highly efficient air and gas mixture lets the MasterTemp heater heat up fast. No long waits before enjoying your pool or spa.
- Eco-friendly, the MasterTemp heater is certified for low NOx emissions and outperforms industry standards.

MULTI AWARD  
WINNERS

IF YOU ONLY NEED TO HEAT YOUR POOL OCCASIONALLY, THEN A PENTAIR MASTERTEMP GAS HEATER CAN SAVE YOU MONEY.

Rotatable lid, makes it easy to install or retrofit in even the tightest space.

Rotating digital display means more installation options and easier access to view operating information

Rustproof, tough composite exterior for long life

Models from 125Mj – 400Mj

Available in natural gas and propane models.

## MASTERTEMP

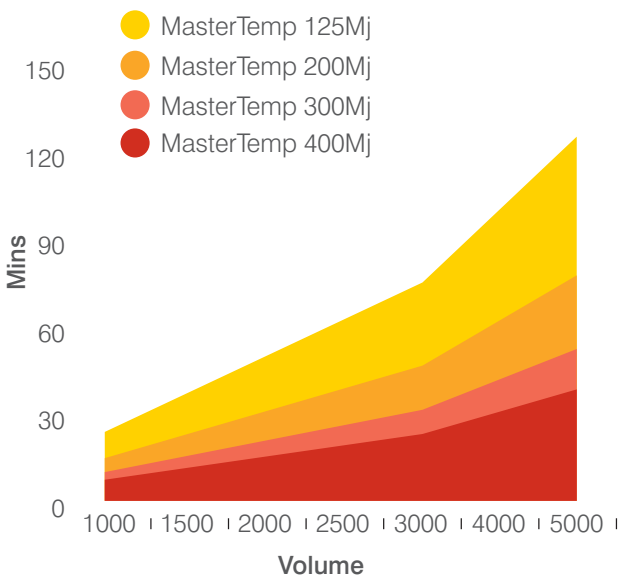

No matter what you're seeking in your swimming pool heater, the MasterTemp heater measures up. MasterTemp has become the new standard in value.

## MASTERTEMP 125

The MasterTemp 125 is a smaller lightweight, compact designed heater that is easier to install than any other heater in its class—saving time and money.
