

GAS HEATERS

HIGH PERFORMANCE
ENERGY EFFICIENT

MASTERTEMP® HIGH PERFORMANCE HEATER NEW LOOK, SAME TOP PERFORMANCE AND VALUE

The MasterTemp High Performance Heater offers all the efficiency, convenience and reliability features you want in a pool heater, plus a lot more. The newly redesigned MasterTemp Heater is no different. With an all-new black and beige exterior, the MasterTemp Heater will complement other equipment on the pad.

SUPER QUIET

MasterTemp heaters are engineered for super-quiet operation and won't intrude on your poolside leisure time.

EASY CONTROL

The easy-to-view, rotating digital display places controls front and center, no matter how the MasterTemp heater is positioned on your equipment pad.

- Easy to install with a small footprint
- Fully pre-mixed system with highly efficient air and gas mixture allows for faster heat up times
- Best-in-class energy efficiency*
- Eco-friendly certified for low, NOx emission and out performs industry standard
- Certified for outdoor and indoor installations
- Tough, rustproof exterior handles the heat and weathers the elements

* Heavy Duty (HD) Cupro-Nickle Heat Exchanger 82% Efficient.

MULTI AWARD
WINNERS
