Pool & Spa WiFi Control System

Oasis Smart

Seamless automation for your pool equipment.

- ✓ **One Operation**
Convenient automated control over all your pool equipment via the Oasis Smart App
- ✓ **Anywhere, Anytime**
Control your pool and spa from anywhere, anytime
- ✓ **More time for leisure**
Control and monitor maintenance programmes on the go and enjoy more time relaxing

The Oasis Smart Automation System

Control your pool from anywhere, anytime.

Turn the heater up, switch the lights on and show off that water feature when guests arrive. Set cleaning and maintenance or get the pool ready before you get home.

Controlling every aspect of your pool system has never been easier with the Oasis Smart App.

The Oasis Smart Controller uses state of the art technology and features:

- > Two standard GPOs
- > Four valve actuator outlets
- > Expansion units with three GPOs
- > Pump speed control
- > Multiple expansion units
- > Four different filtration times
- > Water temperature sensor
- > Pump call
- > Plugs into standard GPO
- > Heater control

Expansion units come with three GPOs

Control every aspect of your pool system.

- > Filter pumps Sanitiser
- > Pool Light
- > Cleaning Pump
- > Blower
- > Solar heating (pump or valve)
- > Gas Heater
- > Jet Pump
- > Spa Lights
- > Heat Pump
- > Water Feature (pump or valve)
- > Spa actuator Valves
- > Garden Lights and more.
