Keep your pool sparkling clean with our high-performance Salt & Mineral Chlorinator

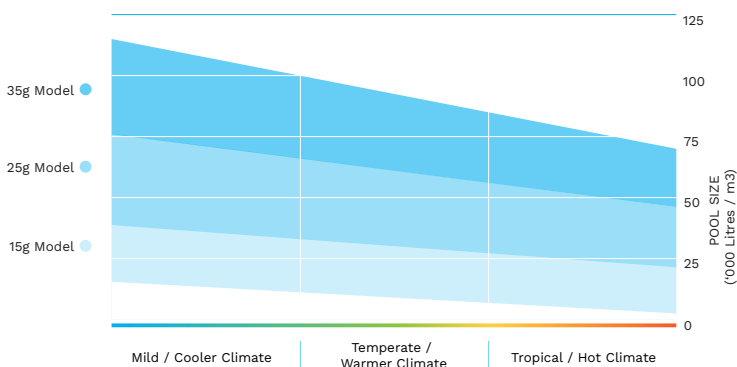

Engineered for quick installation, reliable operation, with user-friendly controls. Built tough for long-lasting, hassle-free pool care.

Features

The Oasis Vantage Salt & Mineral Chlorinator ensures a healthy pool

- > Low salt operation: 3000-3500ppm (0.3%-0.35%)
- > Power saving technology that incorporates a built in self regulator for high salt, allowing for greater efficiency
- > Smart self-cleaning cell electrode with adjustable cleaning cycles
- > Premium grade quick connect titanium cell for increased lifespan
- > Water flow, high and low salt indication
- > Automatic battery back-up timer, with single or dual timer cycles
- > Internal over temperature protection and trip indication
- > Suitable for all pool surfaces
- > Modern, compact power pack
- > Acrylic weather shield
